

CHANGE IN FILE STATUS
APPROVAL FORM

DATE June 19, 1987

CURRENT FILE NO. ACT/049/007

RECOMMENDED FILE NO. INA/049/007

COMPANY AND MINE NAME Interstate Brick, Long Canyon Mine

REASON FOR CHANGE IN FILE STATUS

This proposed clay pit was permitted in 1978. Annual reports in 1978 and 1979 reported less than 500 tons of clay and less than one acre disturbed. There has been no activity since that time. Field inspections by the Division in 1985 and State Lands in 1987 failed to locate any disturbance. The state lease expired in April, 1987, and the reclamation bond was released.
